

Borrowing an Audiobook or an eBook from the iCentre

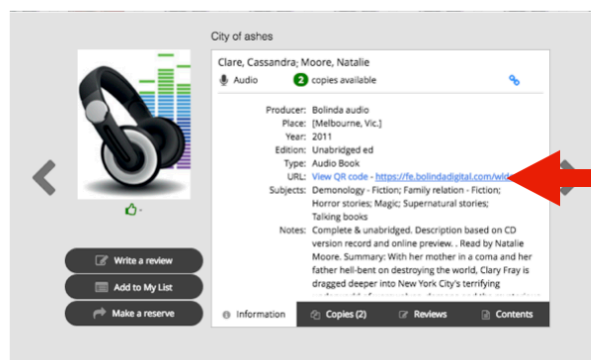

To loan an eBook or audiobook from the iCentre is **EASY**.

Follow these simple steps to do so:

1. Log into the OPAC with your Moodle username and password.
2. Using the 'Advanced' menu, choose 'Media', then 'Audio' if you want to see the audiobook collection, or 'eBook' if you want to view the eBook collection.
3. Click on 'search'

4. From these collections, you can choose a book – click on the title of the book – then, click on the URL

5. From the linked platform – choose 'Borrow'. If you are asked for a username and password – these will be same as your Moodle username and password.

Happy reading & listening.
