This year we are very excited that Fleur Ferris will join us as the keynote speaker at our International Women's Day Breakfast. Fleur's books are consistently in the Top Ten Borrowed Books from the iCentre. This very popular author writes crime/thriller novels for Young Adult readers. For the first twenty years of her working life, Fleur worked as a police officer and then a paramedic. Fleur's colourful and diverse background has given her unique insight into today's society and an endless pool of experiences to draw from. Her novels include Risk, Black, Found and Wreck.

The breakfast will be an event in our Read Like a Girl program.
